

• SICKBOYZ • DJ I PROD

BIOGRAPHY

SICKBOYZ is an emerging DJ and producer who specializes in crafting high-octane, bass-driven sets that electrify audiences.

Known for his signature fusion of Future Bass, Dubstep, and House

SICKBOYZ always delivers an unforgettable experience pushing the boundaries of electronic music and leaving his audience craving more.

SICKBOYZ brings an unmatched energy to every performance. Whether spinning at a club, festival, or private event
